Rally by Brookline Beats Narberth, 9-8

Davismen Lose Extra Inning Battle and Chance for Championship

COATESVILLE HERE 14TH

Narberth's Baseball Club will attempt to avenge a heart-breaking defeat tomorrow when Gene Davis takes his Main Line League champions to Berwyn. It will be remembered that Danny Redmond's Upper Main Liners nosed out the borough, 2-1 with the aid of errors when they met on the home field last month.

On Sunday the Davismen are scheduled to tangle with Coatesville here. Gene's boys already hold one decision over the last-place nine and are heavy favorites to defeat Perk Richards' aggregation. However, Coatesville almost jolted Brookline's undefeated team last Sunday and some of the fans are a bit wary as they wait Sunday's game.

Hopes Fade

Narberth's hopes as far as the first-half championship is concerned, were just about knocked to the four winds when Brookline nosed out the townsmen by a 9-8 count last Saturday in 10 hectic innings at the community field. Costly errors again played a big part in the team's downfall.

Sunday it was a far different story. Downingtown, fresh from nipping Coatesville in 11 wild frames, was a sorry victim here, yielding by 18-11 figures when the Davismen blasted the offerings of two pitchers for a grand total of 18 hits.

Narberth appeared to have the Brookline game sewed up as early as the first inning when it scored five times and shelled Frank Malseed from the mound. Singles by Jack Eachus and Pitcher Al Hermann, together with Mickey Gavin's triple and a home run by Bud Walker with two aboard were the death blows to Malseed. George Severn went in and ultimately pitched his way to victory.

Hermann managed to get himself out of tight places, but was taken

Postoffices Ready to Deliver Bonus Monday, Then Certify Vets' Bonds

Tomorrow night, June 13, from 7 to 7.15 o'clock (Eastern Standard Time), Postmaster General James Aloysius Farley will tell veterans over a nation-wide hookup how they will receive their bonus bonds and also just how to go about turning them into cash.

Then on Monday deliveries of the adjusted compensation bonds will be made by local post offices. All letters will be registered and receipts must be signed by the veteran. No signature of a member of his family or other person will be acceptable.

Veterans who desire to cash their bonds must sign the request for payment on the back of the bonds in the presence of a certifying officer, either at the local post office or at one of the designated points in the Philadelphia area. In every case the veteran must be known to the certifying officer or must be identified by a citizen who is known to the officer. Checks will be then issued from the central Philadelphia office and should be received a day or so afterwards.

In the Lower Main Line section, Narberth, Bala-Cynwyd, Merion and Wynnewood, about 600 veterans will receive convertible bonds totaling an estimated \$300,000.

Joseph L. Kelley, postmaster at Narberth, expects to receive the bonds in time for delivery Monday morning. For veterans not home during regular deliveries an additional delivery will be made leaving the post office at 6.30 P. M. For cashing the bonds, certifying officers from the Narberth post office will be on duty at the Durbin & Howard office, Station Circle, on Monday, Tuesday and Wednesday evenings from 7 to 9 o'clock. About 150 veterans will receive the letters.

Mrs. Mary Roach, Bala-Cynwyd postmistress, announces that a special delivery will be made Monday evening, starting at 6 o'clock. For certification of bonds, the post office will be open until 10 o'clock Monday night and until 9 o'clock Tuesday, Wednesday and Thursday night.

In Merion, Miss Katherine Sherlock.

Both men broke 24 out of 25.

Others awarded prizes were:

Want More Flags for Boro Business Section

Narberth Business Council Appoints Committee on Ways and Means

PLANS OUTING ON JULY 8

Recreational plans for the summer were discussed by the Narberth Business Council at its June meeting Monday night in the Arcadia Restaurant. It was decided to hold an outing Wednesday, July 8, for the business men of Narberth. President Joseph Adelizzi appointed Harry Hollar chairman, aided by a committee that includes Marios Chios, Gordon Wunder, Carl Metzger, Thomas Elwood, Albert Bowers and the president.

There was some discussion of the summer closing, Wednesday afternoons, of the grocery stores. It was said one of the chains is opposed, making it difficult for other stores to close without losing business. Nothing was done, because none of the grocers attended the meeting.

President Adelizzi reported that during the summer the barbers continue their policy of closing Monday afternoons, and that the tailors are closing 1 P. M. Saturdays.

The business center's need was discussed, of better and more uniform decorations on patriotic occasions like Flag Day and the Fourth of July. To try to get flags and arrange for their proper display and care, a committee was appointed: Mr. Chios and Edward Harter.

Complaints were made about non-delivery of advertising matter in the mail, even though when sent first class. Mr. Adelizzi undertook to interview post office authorities about this.

Mother Warmly Commends Officers Who Chased Mad Dog From Baby

Sergeant Charles Girvin and Officer Brady Utz were highly praised in a letter read before Narberth Borough Council at its June session.

The letter, written by Mrs. Marian H. Cooke, of 206 Lantwyn lane, Narberth, expressed her gratitude to the officers who arrived in time to drive off a rabid dog which on May 27 threatened to attack her and her 2-year-old child, Arthur L. Cooke, Jr. Her letter reads in part:

"If they had not been on hand and had not acted quickly and without a thought for their own safety, either the baby or I would probably have been bitten by the poor mad creature."

"I would like them to know that I am deeply grateful and I do appreciate a department of public safety that is on hand when needed."

The patrolmen later shot the animal. A report from Harrisburg, where the dog's head was shipped, showed that it had been rabid.

Graduating cum laude at Bryn Mawr College on Monday were Elizabeth Smedley, Narberth, in history, and Eureka Andrews Simons, Wynnewood, in chemistry. They received bachelor of arts degrees together with Evelyn Egge Hansell, of Narberth, in economics.

More Money Around, Spectator Believes

Extra Dollars Expected to Boom Town's July Fourth Celebration

METZGER IS TREASURER

BY THE SPECTATOR

Comes soon the Fourth, the mail-cards proclaim, and for Narberth that means a very great deal, for this is the place which has taken the lead in observing the Nation's birthday in a notable way, and this year will be no exception.

In fact, it is planned to make merry on a more elaborate scale than before, as things generally are quite on the up and there seems to be an extra dollar in pretty nearly everybody's pocket, an improvement which may as well be acclaimed in the whoopee which is now being brewed.

In the beginning, now many years ago, it was necessary to row pretty hard upstream to get the cost of the crackers, but there has been no such tooth-pulling even during the depression, as the townsfolk are not only proud of the great show which is put on under their auspices, but those with children have come to realize that they save a great deal of money for themselves, as the dollar or two they contribute for the community display is a small part of what had to be paid for the private pyrotechnics which were bought, not to mention the peril which always lurked when the home shows were the vogue.

And as for those who have no children, and who could say that juvenile entertainment is no concern of theirs, the archives must be stirred to locate the name of the medical man who said that he was always sure the arteries had started to harden when his patient said that he liked neither fireworks nor hot dogs.

Bill Howard is looking that subject up further and meanwhile he wants it to be known by all and sundry that he likes fireworks and hot dogs—and plenty of both.

It was in this particular neighborhood that history was made as our

Pupils in Art Exhibit at Narberth Library

The fourth annual art exhibit of the pupils of Margery D. Cowin is being held in the Narberth Community Library for the month of June.

This year's exhibit shows the progress of some of the children, and the prize winners for the year are the first pictures shown. Miss Cowin conducts her classes in the studio room of the Shull Lumber Company of Bala-Cynwyd.

Bill Floyd and Greer Heindel are tied for first prize, while Barbara Floyd received first honorable mention and Mary Strumia second honorable mention. They were judged by Miss Constance Cochran, one of the Philadelphia Ten best women painters.

Later there will be interesting pictures by the children, too, including those of Jack Lessig, aged 5; Charles Behney, aged 6; Betsey Smith, the Griselles, Jean Fairman and others. The pictures this year by the ladies show interesting landscapes, several fine fruit and flower studies and splendid head studies from life.

Edwin Irwin has a most interesting group of charcoals, watercolors, pencil and poster.

Petunias at Boro Station

Right in the center of the center of Narberth the little garden by the station, where the traffic goes round and around, has suddenly blossomed with pink petunias. The Garden and Conservation Committees of the Women's Community Club planted them.

These sturdy little plants, raised in Penn Valley will make a nice spot of color in the borough. During the drought a generous nearby merchant has supplied the water to keep them alive.

Petitioners Granted Relief From Drainage

Ditch to Carry Away Water From Woodbine and Price Area

COUNTY PAVING BEGUN

Reports on the condition of streets and drainage occupied most of Narberth Borough Council's June session. A petition, signed by twelve residents living in the vicinity of Price and Woodbine avenues, called attention to a bad drainage situation which causes cellars to be flooded every time there is a heavy rain. They asked that a gutter be dug to carry the water away from the paved section of Hampden avenue into Price avenue.

This petition was signed by Mr. and Mrs. Wills A. Burrows, Mr. and Mrs. Edward F. Collier, Mr. and Mrs. R. B. Chain, Mr. and Mrs. Charles S. Deal, all of Iona avenue; Mrs. J. S. Thomas, 856 Montgomery avenue; James T. Jacobs, Mrs. A. J. Lobert and Earle W. Marshall, all of Price avenue.

Highway Chairman Robert F. Wood, with reference to this problem, recommended that "relief from it can easily be given them by digging a ditch along the center line of the unimproved section of Hampden avenue so as to carry drainage northerly to Price avenue. . . . We therefore recommend that that be done at a total expense not to exceed \$50." Council approved.

Mr. Wood also reported that county repairs to borough streets will start soon. Work on Essex avenue repaving from Windsor avenue to Montgomery will be begun immediately, while the paving on the unimproved section of Conway avenue will start about June 15. George B. Suplee, highway superintendent, is now directing the laying of curbs on the latter thoroughfare.

Lengthy correspondence between Health Officer George B. Suplee and the West Chester Title and Trust Company finally resulted in the latter

Nation was being formed, and it was hereabouts that the Colonial soldiers trooped as they made war with their British foe. Our countryside is hallowed by the sacrifices which begot the liberty and opportunity which are the American birthright and snug indeed we would be if great anniversaries could come and go without any formal recognition on the part of those who now abide this precious land and who feel no urge at all to join in that excellently disposed community celebration which provides so normal and logical an expression of patriotic appreciation.

The long record proves that no such meager complacency exists in this borough and the dollars are bound to roll in as before to Carl B. Metzger, Jr., at the bank, who will acknowledge all contributions in the columns of OUR TOWN starting next week.

Those who pay first render extra service in getting the round-up into a good stride and so it is hoped that you will do up your donations over this week-end, \$1, or \$2 if you can spare it.

"Captain January" and March of Time—Narberth

Shirley Temple in another delightful story, "Captain January," is at the Narberth Theatre—singing, dancing, and with her clever acting and dimples and smile winning the hearts of all. The fine cast includes Guy Kibbee, a crusty old lighthouse keeper, Slim Summerville and June Lang. "The March of Time" is also on the week-end program. It features the reduction of railroad fares, the national relief problem, and Ethiopia and the League of Nations.

Mae West and Victor McLaglen give an interesting performance in the amusing melodrama, "Klondike Annie," coming Monday and Tuesday. Don't miss "13 Hours by Air," next Wednesday. It's first-class thrilling, amusing drama. Cast includes Joan Bennett, Zasu Pitts and Fred MacMurray, who is pilot of an air liner on which just about everything that can happen, happens. Narberth's cash award is Wednesday at nine.

Thursday, "Reserved for Ladies" will make a return engagement, by popular request. It's the sparkling comedy that was a big stage and screen hit. The star is Leslie Howard, in perhaps the best role of his career.

Swarthout and Kiepara at Egyptian: "Moon's Our Home" Coming Next

In "Give Us This Night," now playing at the Egyptian, a young fisherman with a glorious tenor voice is introduced to opera through the interest of a young prima donna and her maestro. Gladys Swarthout in a series of artfully contrived costumes is decorative throughout; her beauty nicely balances the exuberance of Nan Kiepara. The production is lavish and the music melodious.

Based on Faith Baldwin's novel, "The Moon's Our Home," coming Monday and Tuesday, is a sprightly, clever comedy with dialogue written by Dorothy Parker. Exceptionally well directed, with a well-sustained high comedy pitch and many humorous situations, the picture is a "natural"—highly popular with adults and young people. Stars are Margaret Sullivan, Henry Fonda and Charles Butterworth.

"The Amateur Gentleman" brings Douglas Fairbanks, Jr., and Elissa Landi in a romantic and dramatic story of considerable appeal, Wednesday and (Bank Night) Thursday.

To end the week, the Egyptian will present an entertaining picture with a nice mixture of suspense, humor, pathos and romance, in which a strong cast is ably directed. It is Ben Ames Williams' "Small Town Girl," starring Janet Gaynor, Robert Taylor, Binnie Barnes, Lewis Stone and Andy Devine.

The summer policy of daily matinees at 2:15 will commence Monday.

Graduates at Bryn Mawr

Evelyn Egee Hansell, daughter of Mr. and Mrs. George A. Hansell, of 929 Montgomery avenue, Narberth, was graduated on Monday from Bryn Mawr College.

Miss Hansell, who graduated from the Lower Merion High School in 1932, was the counselor of the Bryn Mawr Camp for Children at Avalon, N. J., for two seasons and in her senior year at the college was the non-resident representative of the Student Council.

GUM-DIPPED TIRES

WIN INDIANAPOLIS 500 MILE RACE

On Memorial Day Louis Meyer won the Indianapolis 500 mile race, at an average speed of 109 miles an hour, breaking all track records, without tire trouble of any kind.

No tires except Firestone Gum-Dipped Tires could have resisted the terrific heat generated at such high sustained speeds on the hot brick track, lap after lap, hour after hour. You can have no greater proof of blowout protection.

Not one of the thirty-three drivers would risk his life on any other tire, for each driver knows that heat is the chief cause of tire failure and blowouts. Firestone cords are soaked in liquid rubber, which saturates and coats every cotton fiber, preventing friction and heat and adding great strength. This is the Firestone patented process of Gum-Dipping, that gives you greatest blowout protection and safety.

Profit by the experience of race drivers. Equip your car today with Firestone Gum-Dipped Tires—it costs so little to protect lives worth so much.

A resume of the sports program at Lower Merion for the past year leaves us with a definite feeling of satisfaction. The Maroon and White athletes again have done a good job.

Al Adam's football team had more victories than defeats, something that is more of a habit than just a happening. The losses to Norristown and Easton and the tie game with Phoenixville did not mar the fine record that his team compiled. Coach Helveston's soccer team was again a leader in Suburban soccer ranks. Twice defeating the Upper Darby team, the soccer boys did something never before accomplished in the same season by any suburban school. Upper Darby just doesn't usually get licked in soccer.

Bill Anderson's basketball array went right through an undefeated schedule to the Suburban championship, then added the District I diadem before losing to Lebanon at the Palestra. What more could anyone wish for?

The baseball team just about broke even for the season, but during the latter half of the schedule played excellent ball. Coach Fetter should be proud of the team's performance.

Coach Drumm brought his fine track material along intelligently and completed an undefeated season with a great performance at the Suburbans at Norristown on Saturday. The fine work of Don Vogts, Ed Beetem, Lawson Robertson, Jr., and Leech in the field events has been a satisfaction to the coach and the team's followers. Don has broken the shot put record three times this year and Beetem and Robertson have followed him in that order to help pile up many needed points. Leech has been consistent as a first place man in the broad jump event throughout the season.

In the running events, John McIntyre, Cliff Roberts and Howard Witte have been the big winners. The entire squad has contributed handsomely to the compiling of one of the most successful track seasons in the school's history.

As an added bit of interest, Bruce Beuch's Lower Merion High School Band won the State championship in a field of excellent performers and followed that with a trip to Cleveland where they represented the school and State in the National championships. There the band won an award for excellence.

In the Junior High School, Coach Dick Mattis continued to add to his splendid record as a football coach. His undefeated eleven won the suburban championship and played marvelous football throughout the schedule. A strong array of stars will join the high school ranks from those of the junior high next September.

The basketball team lost three games, while winning fourteen. They tied with Haverford and Phoenixville for the league championship and enjoyed one of the best years in the school's history. Eight boys from the first squad will be available for future high school stardom when Coach Anderson calls out the recruits in November.

The junior high track squad was undefeated and added the P. I. A. A. District I crown to its collection of coronets in the season's wind-up.

The baseball team won a majority of its games and, all in all, this about tells the story. The two schools have more than held their own as leaders on the sports fields of Greater Philadelphia.

So it's off to the seashore, the mountains, and the woods. The big bass are calling. Let's answer. And don't forget to gather again on the Main Line in September as the wheel

out in the ninth inning when he allowed a hit and passed a batter. Big Jim McKee went in as relief chucker and gave up the ghost an inning later.

Brookline came on fast in the ninth, getting three runs and deadlocking the count at 8-all. In the extra session Bill Veleit, Brookline catcher, reached first when Joel Rubincam fumbled his roller to third. Severn was put out of the way on strikes, but Veleit reached the key stone on a passed ball and carried the deciding run across when George Gallagher cracked a single through second. Gallagher, incidentally, collected five hits in six at-bats, one of which was a double. Fred Lucas poked two doubles that would have been homers in any other park, and had a triple in four times at bat.

Tanny Ralston, Harry Fox and Herrmann shared hitting honors for the locals with three apiece.

Narberth scored in every inning except the sixth to shellack its Downingtown rival. Trailing 10-5 when they came to bat in the fourth, Narberth pushed over six runs and thereafter it was just a matter of how big the score would grow.

Petitioners Granted Relief From Drainage

remedying a bad drainage condition at the rear of its property at 104 1/2 Forest avenue after State Nuisance Officer R. E. Glenn had made a complaint, according to Chairman Eugene H. Davis' report for the Water, Light and Health Committee.

Borough Fire Chief Charles V. Noel reported five fires during May, with only slight damage. He notified council that four thirty-inch lengths of two-and-one-half-inch hose, in service twenty-five years, need to be replaced, as recently one burst when subjected to 300 pounds water pressure. The Narberth Fire Company has been invited to the Lower Merion police and fire departments' inspection on June 17 and 20, and arrangements have been made for part of the volunteers to attend while the other part remains on duty in the borough.

Edwin P. Dold, tax collector, was granted exonerations of slightly over \$900 on the 1935 borough duplicate. It was brought out that of the \$1400 exonerations granted for 1934, approximately \$1100 have since been collected.

On recommendation of the Police and Fire Committee, William H. Durbin, chairman, council banned parking of cars on the south side of Haverford avenue from Shirley road to Montgomery avenue. It was also reported that boys are going through town and removing for sale signs, name plates and flower boxes which they then carry to Gibson's Woods or to the borough playground.

Burgess John R. Hall said that property owners in the 100 block of Conway avenue, west side, are complaining of tennis balls being batted into their gardens, with players jumping over fences to retrieve balls.

Building Committee Chairman Harvey J. Harman announced that no further action on proposed amendments to the building and zoning code would be taken until September due to interference of the vacation season.

-SPORTLETS-

Lower Merion High's track team wound up its season last Saturday at the Norristown suburban interscholastics by winning the Class "A" title from the county seat team. The Maroon did not lose a local meet this year. Class "A" final scoring was: Lower Merion, 56; Norristown, 46; Upper Darby, 23; West Chester, 20; Lansdowne, 12; Haverford High, 11. Starring for Coach Henry Arthur Drumm were Captain Don Vogts, who heaved the shot 51 feet 10 inches to break his old Class "A" record by nearly three feet, while Ed Beetem tossed the discus 133 feet 3 inches, far better than Bob Endicott's mark, made for L. M. H. S. in 1933, of 121 feet 9 inches.

Among those honored for athletic activity at the University of Pennsylvania are H. Hunter Lott, Jr., Bala-Cynwyd, tennis; Jim Bradford, formerly of Lower Merion High, football and basketball; Paul King, Lancaster, who will be in charge of the Narberth Playground this season, football and track.

In the Twilight League the Union Fire Association, of Cynwyd, defeated St. Luke's Tuesday, 5-1, to go into a second-place tie with the Narberth Boys' Club, who lost to South Bryn Mawr, 8-7. Last week the Union Fire Association handed the Ardmore Warriors a 13-7 lacing.

In a hotly contested match, Don Richardson, Lansdowne High, retained the suburban interscholastic tennis championship by defeating Bob Dunn, Lower Merion, 5-7, 6-4, 6-3, 6-4, at the Narberth courts Monday.
